The Environmental Protection Agency has requested entry and access to my property pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA or Superfund) as amended, 42 U.S.C 9601 et seq.

I consent to officers, employees, authorized representatives, and authorized contractors of the EPA entering and having continued access to the above referenced property for the following purposes:

1. Conducting field inspections and investigations of the property and structures on the property in support of removal activity planning;
2. Taking samples of air, soil, dust and/or bulk samples on the property;

4. Using minimal amounts of heat, water (city sources only), and electricity without reimbursement while conducting investigation, removal and/or restoration activities;
5. Taking response actions, including, but not limited to: site stabilization, marking or temporarily covering exposed vermiculite, removal of hazardous materials and substances;
6. Completing restoration efforts once contaminated material has been removed to include repair of possible damage or property loss as a proven direct result of removal and restoration activities; and

If relocation is necessary, I realize that I may not have access to my property during removal activities for health and safety reasons. Only in the event of an emergency will I be able to request items from my property.

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind. I certify that this Consent for Access is entered into voluntarily and constitutes an unconditional consent and grant of permission for access to the property by officers, employees, representatives and authorized contractors of the EPA at reasonable times.
